

BRIAN STEWART RACING
Exclusive Race Day for Fans and Invited Guests
October 17 gets off the Ground at
EDENVALE AERODROME

FOR IMMEDIATE RELEASE

October 13, 2009

Brian Stewart Racing is one of the most celebrated and respected world-class brands in auto racing! Brian Stewart is one of the best-known Canadian personalities in motor sports. He has lived, breathed racing for more than 40 years, and has won championships as a driver and team owner. From a humble beginning in Port Glasgow, Scotland to the top of podiums around North America, Brian Stewart has a reputation as a winning coach and mentor.

On October 17, 2009, Brian Stewart Racing will be hosting an exclusive racing day for a group of special guests and their invited fans. The day will be modeled around one of BSR's Corporate Racing Days.

Participants on the track will receive coaching from Brian Stewart and then will get to drive a Champ Car Light. For a number of the soon-to-be-drivers, this has already been described as "...the dream of a lifetime."

Brian Stewart Racing will also be surprising guests with an appearance from a young driver - one they have been keeping an eye on and who will take one of our Indy Lights cars for a demonstration spin.

This is a most unique event that takes you behind the scenes of Canada's longest running and most winning racing team.
